Background to this Rulebook

1. This rulebook further clarifies the statements and requirements set out in the *FSR* relating to the performance of *Controlled Functions* by individuals.
2. The *Principles of Conduct for Approved Individuals* is drawn up in accordance with Article 15(3) of the *FSR* and have the status of *Rules*. A breach of these principles may form the basis of disciplinary action by the *Regulatory Authority*. The *Principles of Conduct* are a general statement of the standards expected of *Approved Individuals* and apply directly to the conduct of business and carrying out of *Controlled Functions* by *Approved Individuals*.
3. The *Principles of Conduct* are not exhaustive of the standards expected. Conformity with the principles does not absolve a failure to observe other requirements in the *Rulebooks*, while the observance of other requirements in the *Rulebooks* does not necessarily amount to conformity with the *Principles of Conduct*.
4. Failure by an *Approved Individual* to comply adequately with the *Principles of Conduct* is likely to impact on the *Regulatory Authority's* assessment of that *Approved Individual's Fitness and Propriety*.

Financial Services Regulations

Article 41 of *FSR* provides as follows:

Approved Persons performing Controlled Functions

- (1) An Authorised Firm must ensure that no individual acting for:
 - (A) the Authorised Firm; or
 - (B) a contractor of the Authorised Firmperforms a Controlled Function for that Authorised Firm unless the individual is approved by the Regulatory Authority as an Approved Individual.
- (2) Controlled Function means a function which involves:
 - (A) the exercise of significant influence over the conduct of the firm's affairs in relation to Regulated Activities;
 - (B) dealing directly with clients or customers in relation to Regulated Activities; or
 - (C) dealing with the property of clients or customersand is specified as a Controlled Function in Rules issued by the Regulatory Authority from time to time.
- (3) The Regulatory Authority shall make Rules detailing:
 - (A) the procedure for Application to the Authority for registration as an Approved Individual including requirements as to the form and content of the Application, any fees payable by an Authorised Firm in respect of its Approved Individuals and the procedures for modification or withdrawal of an Approved Individual's registration;
 - (B) principles or other requirements to which Approved Individuals are required to adhere in the performance of Controlled Functions;
 - (C) requirements for Approved Individuals to report to the Regulatory Authority; and
 - (D) the circumstances in which registration of an Approved Individual may be withdrawn at the instance of the Regulatory Authority.

1 Application

1.1 Application

- 1.1.1** This rulebook (*INDI*) applies to an *Authorised Firm* operating, or applying to operate, in or from the *QFC* and to individuals carrying on or applying to be registered to carry on *Controlled Functions*.

2 Controlled Functions

Guidance

1. Although job titles may be indicative of a function performed, the test as to whether or not an individual is carrying on any particular *Controlled Function* outlined under section 2.1 is whether the activity or role that individual performs for or on behalf of an *Authorised Firm* falls within the description of that *Controlled Function*.
2. The *Regulatory Authority* is of the view that in most cases it will be prudent for an *Authorised Firm* to have a contractual relationship with any individual carrying on a *Controlled Function* for or on behalf of the *Authorised Firm* to govern the manner in which that *Controlled Function* is performed. However, an individual may carry on a *Controlled Function* for an *Authorised Firm* even if there is no contractual relationship between the individual and the *Authorised Firm*. For example, the regional head of an *Authorised Firm's Group* may have no direct contractual relationship with an *Authorised Firm* but may carry on the *Senior Executive Function* for that *Authorised Firm*.

2.1 Description of Controlled Functions

2.1.1 Each of the functions described in Rules 2.1.2 to 2.1.10 are a *Controlled Function* for the purposes of Article 41(2) of the *FSR*.

Senior Executive Function

2.1.2 The *Senior Executive Function* is the function of having overall responsibility alone or jointly with one or more individuals:

- (A) for the conduct of the whole of the business of an *Authorised Firm*; or
- (B) in the case of an *Authorised Firm* established outside the *QFC* operating through a branch in the *QFC* (a *Non-Local Firm*), for the business of the *Authorised Firm* carried out in or from the *QFC*.

Guidance

In most cases, the *Regulatory Authority* would expect an *Authorised Firm* to have one individual performing the *Senior Executive Function*.

Executive Governance Function

- 2.1.3**
- (1) Subject to (2), the *Executive Governance Function* is the function of acting in the capacity of a *Director*, other than a *Non-Executive Director*, of an *Authorised Firm*.
 - (2) The *Executive Governance Function* does not extend to *Directors* of a *Non-Local Firm* who are not responsible for the *Regulated Activities* carried on by that *Authorised Firm* in or from the *QFC*.

Non-Executive Governance Function

2.1.4 The *Non-Executive Governance Function* is the function of holding a position on the *Governing Body* of a *Local Firm* but not having responsibility for the day-to-day direction of a *Local Firm's* affairs.

Compliance Oversight Function

2.1.5 The *Compliance Oversight Function* is the function of having responsibility for compliance matters of an *Authorised Firm* as provided in CTRL section 4.3.

Risk Management Function

2.1.6 The *Risk Management Function* is the function of having responsibility in relation to setting and controlling an *Authorised Firm's* risk exposure as provided in CTRL section 4.4.

Finance Function

2.1.7 The *Finance Function* is the function of having responsibility for ensuring that an *Authorised Firm* complies with the *Regulatory Authority's* prudential requirements.

Money Laundering Reporting Function

2.1.8 The *Money Laundering Reporting Function* is the function of acting as an *Authorised Firm's* MLRO in accordance with the duty in Article 8 of the *AML Regulations*.

Senior Management Function

2.1.9 The *Senior Management Function* is carried on by an individual who has significant responsibility either alone or with others for management and supervision of one or more elements of an *Authorised Firm's* business relating to its *Regulated Activities* other than those matters identified in Rules 2.1.2 to 2.1.8.

Customer Facing Function

2.1.10 The *Customer Facing Function* is the function of carrying on one or more of the following *Regulated Activities* with or for a *Customer* on behalf of an *Authorised Firm* in or from an establishment of the *Authorised Firm* in the *QFC*:

- (A) *Dealing in Investments*;
- (B) *Managing Investments*;
- (C) *Advising on Investments*; and
- (D) *Arranging Deals in Investments*.

Actuarial Function

2.1.11 The *Actuarial Function* is the function of having responsibility for monitoring, advising, investigating and reporting on risks facing an *Insurer* that materially impact on the *Insurer's* ability to meet policyholder liabilities and on capital levels.

2.2 Additional Requirements for specific Controlled Functions

2.2.1 The *Senior Executive Function* must be carried out by an individual who:

- (A) in the case of a *Local Firm* is ordinarily resident in the *State*; and
- (B) in the case of a *Non-Local Firm* spends an appropriate proportion of his time in the *State* having regard to responsibilities that the *Senior Executive Function* entails.

2.2.2 The *Money Laundering Reporting Function* must be carried out by an individual ordinarily resident in the *State*.

2.2.3 Subject to Rule 2.2.4, the *Regulatory Authority* will only register one individual for the *Compliance Oversight Function* in respect of an *Authorised Firm*.

2.2.4 The *Regulatory Authority* may, if it considers it appropriate in the circumstances, register more than one individual to perform the *Compliance Oversight Function* in respect of different internal business divisions within a large *Authorised Firm* provided that one individual is appointed with responsibility for the overall *Compliance Oversight Function* for the whole of the *Authorised Firm*.

2.2.5 An individual can only be approved to perform the *Actuarial Function* if he also meets the following additional criteria:

- (A) he is not carrying on the *Controlled Functions* of *Senior Executive Function*, *Executive Governance Function* or *Non-Executive Governance Function* of the *Insurer*, or of a *Related Body Corporate* (except when that *Related Body Corporate* is a *Subsidiary* of the *Insurer*);
- (B) he is neither an approved auditor (under Article 85(1) of the QFC Companies Regulations or Article 37 of the Limited Liability Partnerships Regulations) for the *Insurer*, nor an employee or director of an entity of which that auditor is an employee or director nor a partner of that auditor;
- (C) he has appropriate formal qualifications and is a member of a recognised professional body; and
- (D) he has a minimum of five years relevant experience in the provision of actuarial services to *Insurers*, either in the QFC or in other jurisdictions, that has been sufficiently recent to ensure that he is familiar with current issues in the provision of actuarial services to *Insurers*.

Guidance

Because of the critical role played by the *Actuarial Function*, additional criteria are placed on *Approved Actuaries* to ensure their independence, education, skill and experience.

2.3 Required Functions

2.3.1 (1) Every *authorised firm* must have at least 1 individual registered to carry on the following functions:

- (A) *senior executive function*;

- (B) *compliance oversight function;*
 - (C) *finance function;*
 - (D) *money laundering reporting function.*
- (2) Every *insurer* must, as well as having at least 1 individual registered to carry on the functions mentioned in subrule (1), have a member of its *senior management* registered to carry on the *risk management function*.

Note See CTRL, r 4.4.4 (2).

2.3.2 If more than one individual is appointed to perform any of the *Controlled Functions* listed in Rule 2.3.1 the *Authorised Firm* must ensure that the allocation of responsibility for the purposes of CTRL section 3.1 clearly avoids duplication or omission.

2.3.3 An *Insurer* conducting *Long Term Insurance Business* must have at least one individual registered to carry on the *Actuarial Function*.

2.3.4 An *Insurer* conducting *General Insurance Business*, where:

- (A) more than 15 per cent of the *Insurer's* gross outstanding liabilities are attributable to *Contracts of Insurance* for *General Insurance Business* in *PINS Category 1*; or
- (B) more than 20 per cent of the *Insurer's* gross outstanding liabilities are attributable to *Contracts of Insurance* for *General Insurance Business* in *PINS Category 4*

must have at least one individual registered to carry on the *Actuarial Function*.

Guidance

The purpose of Rules 2.3.3 and 2.3.4 is to ensure all *Insurers* carrying out *Contracts of Insurance* where either the *Contract of Insurance* is in force for more than one year or where a material portion of these *Contracts of Insurance* include long-tail business, are required to seek actuarial advice. Long-tail business comprises classes of *Insurance Business* where the claims are typically settled one year or more after the date of the occurrence of the event that gives rise to the claim.

3 Applications

3.1 Application to register as an Approved Individual

3.1.1 An application to register as an *Approved Individual* must be made in writing on the relevant *QFC Form*, signed by the individual who will be performing the *Controlled Function* and a *Senior Manager* and the individual performing the *Compliance Oversight Function* on behalf of the *Authorised Firm*.

Note An application fee is payable as provided in *GENE*, ch 10 and app 4.

3.1.2 For the purposes of Rule 3.1.1 an *Authorised Firm* includes an *Applicant* for *Authorised Firm* status.

3.2 Application for modification of Approved Individual status

3.2.1 An application to modify an individual's registration as an *Approved Individual* must be made in writing on the relevant *QFC Form*, signed by the *Approved Individual* and by a *Senior Manager* and the individual performing the *Compliance Oversight Function* on behalf of the *Authorised Firm*, indicating clearly any matters which have changed since the original application.

3.3 Application for withdrawal of Approved Individual status

3.3.1 An application to withdraw an individual's registration as an *Approved Individual* must be made in writing on the relevant *QFC Form* and signed by a *Senior Manager* and the individual performing the *Compliance Oversight Function* on behalf of the *Authorised Firm* giving details of the *Controlled Functions* in respect of which withdrawal of registration is required.

3.3.2 Where an individual in respect of whom an *Authorised Firm* makes an application for withdrawal under Rule 3.3.1 has been dismissed, suspended or is under investigation by that *Authorised Firm*, the *Authorised Firm* must indicate this fact on the form and provide details of any matters of which it is aware that may impact on the *Regulatory Authority's* assessment of the relevant individual's *Fitness and Propriety*.

Guidance

Under the *FSR*, the *Regulatory Authority* may also:

- a. impose or vary conditions, restrictions or requirements, on the approval of an *Approved Individual*; or
- b. withdraw the *Approved Individuals* approval or vary its approval to remove one or more *Controlled Functions*

in the circumstances identified in Article 46 of the *FSR*.

3.3.3 When application to withdraw registration of approved individual must be made

- (1) This rule applies if an *authorised firm* becomes aware that, for any reason, an individual who is an *approved individual* for the firm is to cease to *exercise*, or has ceased to *exercise*, a *controlled function* for the firm.
- (2) The *authorised firm* must make an application under this section to withdraw the individual's registration to *exercise* the *controlled function* for the firm.
- (3) The *authorised firm* must make the application to the *Regulatory Authority*—
 - (a) at least 10 *business days* before the day the individual is to cease to *exercise* the *controlled function* for the firm; or
 - (b) if it is not practicable to make the application to the authority in accordance with paragraph (a)—immediately after the firm becomes aware that the individual is to cease to *exercise*, or has ceased to *exercise*, the *controlled function*, but within 2 *business days*.

Examples — meaning of 'within 2 business days'

- 1 If, on a *business day*, the *authorised firm* becomes aware that the individual will cease to exercise the *controlled function*, the firm must make the application immediately, but by no later than the next *business day*.
- 2 If, on a day that is not a *business day*, the *authorised firm* becomes aware that the individual has ceased to exercise the *controlled function*, the firm must make the application immediately, but by no later than 2 *business days* after that day.

3.4 Notification of removal or resignation of Approved Actuary

3.4.1 Insurer to give notice before removal of approved actuary

- (1) An *insurer* must give the *Regulatory Authority* reasonable advance *written* notice of at least 2 *business days* of a proposal to remove an *approved actuary* for the *insurer*.
- (2) The notice must include the reasons for the removal.

3.4.1A Notification by insurer if appointment of approved actuary ends

If the appointment of an *approved actuary* for an *insurer* ends for any reason, the *insurer* must tell the *Regulatory Authority* in *writing* immediately, but by no later than the second *business day* after the day the appointment ends—

- (a) that the appointment has ended; and
- (b) the reason for the appointment ending.

Note For the obligation of the *approved actuary* to notify the *Regulatory Authority* if the actuary's appointment ends, see *Financial Services Regulations*, art 91 (Resignation of auditors and actuaries).

3.4.2 Insurer must appoint approved actuary if vacancy arises

If at any time there is not an *approved actuary* for an *insurer*, the *insurer* must appoint an *approved actuary* as soon as practicable, but within 3 *months* after the day the vacancy arises.

- 3.4.3** (1) If an *Insurer*, which is required to appoint an *Approved Actuary* under INDI Rule 2.3.3 or 2.3.4, fails to do so within 28 days of a vacancy arising, the *Regulatory Authority* may appoint one or more actuaries to perform any function corresponding to the actuarial function on the following terms:
- (A) the actuary to be remunerated by the *Insurer* on the basis agreed between the actuary and the *Insurer* or, in the absence of agreement, on a reasonable basis; and
 - (B) the actuary to hold office until he resigns or the *Insurer* appoints another actuary.
- (2) An *Insurer* must comply with and is bound by the terms on which an actuary has been appointed by the *Regulatory Authority* under Rule 3.4.3(1).
- (3) If the *Regulatory Authority* appoints an actuary under Rule 3.4.3(1), he will not be an *Approved Actuary*. However, the *Insurer* is still under an obligation to appoint an *Approved Actuary* under INDI Rule 2.3.3 or 2.3.4 and will need to seek prior approval of that person (even if the individual it proposes to appoint is the person who has been appointed by the *Regulatory Authority* under 3.4.3(1)).

Guidance

1. Rule 3.4.3(1) allows, but does not require, the *Regulatory Authority* to appoint an actuary if the *Insurer* has failed to do so within the 28 day period. When it considers whether to use this power, the *Regulatory Authority* will take into account the likely delay until the *Insurer* can make an appointment and the urgency of any pending duties of the actuary.
2. The *Regulatory Authority* will not normally seek to appoint an actuary under Rule 3.4.3(1), if an application under Rule 3.1.1 has been received from the *Insurer* in relation to a proposed appointment of an *Approved Actuary* as required under INDI Rule 2.3.3 or 2.3.4 and that application is still being considered.

4 Fitness and Propriety

4.1 Authorised Firm's assessment of Individuals

- 4.1.1** Before lodging an application with the *Regulatory Authority*, an *Authorised Firm* must make reasonable enquiries as to an individual's fitness and propriety to carry out a *Controlled Function*.
- 4.1.2** In making enquiries prior to lodging an application and in considering whether an *Approved Individual* remains fit and proper, an *Authorised Firm* should have regard to the matters considered by the *Regulatory Authority* detailed in chapters 4 and 5 as well as the guidance contained in Appendix 1.

- (2) Each application will be assessed on a case by case basis, and the criteria will be considered in the circumstances.

- 4.3.1** Pursuant to Rule 4.2.2, in considering the honesty, integrity and reputation of an individual to be registered or remain registered as an *Approved Individual*, the *Regulatory Authority* will without limitation in assessing the likely impact that an individual's reputation may have on the *Authorised Firm* and on the *QFC*, take into account:

- (A) past, ongoing and pending legal actions, whether such action takes the form of civil or criminal proceedings;

4.4.1 Pursuant to Rule 4.2.2, when considering whether an individual is competent and capable to perform the *Controlled Functions* for which approval is sought, the *Regulatory Authority* will have regard to the ability of that individual to meet the suitability and competence requirements prescribed in chapter 5.

4.5 Financial Soundness

4.5.1 Pursuant to Rule 4.2.2, when considering an individual's financial history, the *Regulatory Authority* will have regard to:

- 5.1.1** An *Authorised Firm* must not allow any individual to perform a *Controlled Function* for it or on its behalf unless it is satisfied that the individual is suitable and competent to carry on that *Controlled Function*.
- 5.1.2** In assessing the competence of an individual to perform a *Controlled Function* an *Authorised Firm* should carry out appropriate investigations as to the skill, experience, background and qualifications of that individual having regard to the nature and complexity of the relevant *Controlled Function* in the context of the *Regulated Activities* carried on by the *Authorised Firm*.
- 5.1.3** An *Authorised Firm* may not assess an individual as competent to perform the *Compliance Oversight Function* or the *Money Laundering Reporting Function* unless it is satisfied that the individual has adequate knowledge of the *AML Regulations*.

- 5.1.5** An *Authorised Firm* must make written records of the criteria used to assess the suitability and competence of any individual who it allows to perform a *Controlled Function* and the findings in respect of that individual's fitness and propriety, and keep such records for at least six years after the individual ceases to perform the relevant *Controlled Function*.

5.2 Training and Supervision

Continuing Competence

- 5.2.1** An *Authorised Firm* must implement appropriate procedures to ensure that an individual it has assessed as competent is and remains competent taking into account the functions they perform and any changes to the products and services offered by the *Authorised Firm*, the types of *Client* with which the *Authorised Firm* deals and any changes in the *Regulatory System*.
