 - (B) the expenses of, or the commission paid or discount allowed on, any issue of Shares or debentures of the LLCor in providing the premium payable on redemption of any redeemable Shares or any debentures of the LLC.
- (3) Subject to Article 26(2), the provisions of these Regulations relating to a reduction of a Company's share capital apply as if the share premium account were part of its paid up share capital.

Article 27 - Rights attaching to Shares

- (1) To the extent permitted by its articles of association, an LLC may create different classes of Shares. Subject to these Regulations, the rights attaching to Shares (or any class of Shares) shall be determined by the articles of association of the LLC.

 - (B) consolidating and dividing any or all of its Shares (whether issued or not) into Shares of a larger amount than its existing Shares;
 - (C) sub-dividing its Shares, or any of them, into Shares of a smaller amount than its existing Shares but so that, in the sub-division of any issued Shares, the proportion between the amount paid and the amount (if any) unpaid on each reduced Share shall be the same as it was in the case of the Share from which the reduced Share is derived;

 - (E) changing the currency denomination of its share capital or any class thereof to a currency denomination approved by the CRO.
- (2) A cancellation of Shares under this Article 28 does not for the purposes of these Regulations constitute a reduction of share capital.

Article 29 - Class rights

- (3) Any alteration of a provision in the articles of association for the variation of the rights attached to a class of Shares, or the insertion of any such provision into the articles of association shall itself be treated as a variation of those rights.

- (4) If the rights attached to any class of Shares are varied in the manner referred to above, the holders of not less than 15 per cent of the nominal value of the Shares of the class (being persons who did not consent to, or vote in favour of a resolution for the variation) may apply to the Tribunal to have the variation cancelled.
- (5) The application for cancellation of the variation must be made within 21 days after the date on which the consent was given or the resolution was passed and may be made on behalf of the Members entitled to make it by one or more of them as they may appoint in writing.
- (6) On any such application the Tribunal, after hearing the applicant and any other persons who apply to the Tribunal to be heard and appear to the Tribunal to be interested in the application, may, if it is satisfied, having regard to all the circumstances of the case, that the variation would unfairly prejudice the Members represented by the applicant, disallow the variation and shall, if not so satisfied, confirm the variation.
- (7) The decision of the Tribunal on any such application shall be final.
- (8) In this Article 29, "variation" includes abrogation and "varied" is to be construed accordingly.

 - (i) that on that date and following the reduction of capital, the realisable value of the LLC's assets will be not less than the aggregate of its Liabilities and issued share capital and share premium account and the LLC will be able to satisfy its Liabilities as they fall due; or

- (ii) that all the creditors of the LLC on that date have consented to the reduction.
- (4) Where Shares are to be cancelled in order to reduce the capital of an LLC the Shares shall be acquired at the lowest price at which, in the opinion of the directors, the Shares are obtainable, but not exceeding an amount, if any, stated or determined by the articles of association.

- (3) For the avoidance of doubt, and notwithstanding that a PCC may have created one or more Cells under this Part:
 - (A) a PCC is a single legal person; and
 - (B) the creation by a PCC of a Cell does not create, in respect of that Cell, a legal person separate from the PCC.
- (4) The provisions of Part 3 of these Regulations, save as amended or varied by this Part and unless the context requires otherwise, shall apply in relation to a PCC as if references therein to "LLC" were references to "PCC".

Article 94 - Creation of Cells

A PCC may create one or more Cells for the purpose of segregating and protecting Cellular Assets in the manner provided by this Part.

Article 95 - Cellular and Non-Cellular Assets

 - (B) by a PCC the Shares and capital interests of which may be Cellular Assets or Non-Cellular Assets, or a combination of both.
- (8) The duty imposed by Article 95(2) is not breached by reason only that the directors of a PCC cause or permit Cellular Assets or Non-Cellular Assets, or a combination of both, to be collectively invested, or collectively managed by an investment manager, provided that the assets in question remain separately identifiable in accordance with Article 95(2).

Article 96 - Position of creditors

- (1) The rights of creditors of a PCC shall correspond with the liabilities provided for in Article 103.
- (2) No such creditor shall have any rights other than the rights referred to in this Article 96 and in Articles 97 and 103.
- (3) There shall be implied (except in so far as the same is expressly excluded in writing) in every transaction entered into by a PCC the following terms:
 - (A) that no party shall seek, whether in any proceedings or by any other means whatsoever or wheresoever, to make or attempt to use any Cellular Assets attributable to any Cell of the PCC to satisfy a liability not attributable to that Cell;
 - (B) that if any party succeeds by any means whatsoever or wheresoever in using any Cellular Assets attributable to any Cell of the PCC to satisfy a liability not attributable to that Cell, that party shall be liable to the PCC to pay a sum equal to the value of the benefit thereby obtained by him; and
 - (C) that if any party succeeds in seizing or attaching by any means or otherwise levying execution against any Cellular Assets attributable to any Cell of the PCC to satisfy a liability not attributable to that Cell, that party shall hold those assets or their proceeds on trust for the PCC and shall keep those assets or proceeds separate and identifiable as such trust property.
- (4) All sums recovered by a PCC as a result of any such trust as is described in Article 96(3)(C) shall be credited against any concurrent liability imposed under the implied term set out in Article 96(3)(B).
- (5) Any asset or sum recovered by a PCC under the implied term set out in Article 96(3)(B) or 96(3)(C) or by any other means whatsoever or wheresoever in the events referred to in those Articles shall, after the deduction or payment of any costs of recovery, be applied by the PCC so as to compensate the Cell affected.
- (6) In the event of any Cellular Assets attributable to a Cell of a PCC being taken in execution in respect of a liability not attributable to that Cell, and in so far as such assets or compensation in respect thereof cannot otherwise be restored to the Cell affected, the PCC shall:

- (A) cause or procure its auditor, acting as expert and not as arbitrator, to certify the value of the assets lost by the Cell affected; and
 - (B) transfer or pay to the Cell affected, from the Cellular or Non-Cellular Assets to which the liability was attributable, assets or sums sufficient to restore to the Cell affected the value of the assets lost.
- (7) Where under Article 96(6)(B) a PCC is obliged to make a transfer or payment from Cellular Assets attributable to a Cell of the PCC, and those assets are insufficient, the PCC shall so far as possible make up the deficiency from its Non-Cellular Assets.

Article 97 - Recourse to Cellular Assets by creditors

Without prejudice to the provisions of Articles 96 and 103, Cellular Assets attributable to a Cell of a PCC:

- (2) The proceeds of the issue of Shares other than Cell Shares created and issued by a PCC shall be comprised in the PCC's Non-Cellular Assets.
- (3) A PCC may pay a dividend in respect of its Cell Shares.
- (4) Dividends may be paid in respect of Cell Shares by reference only to the Cellular Assets and liabilities, or the profits, attributable to the Cell in respect of which the Cell Shares were issued; and accordingly, in determining whether or not such a dividend may lawfully be paid, no account need be taken of:
 - (A) the profits and losses, or the assets and liabilities, attributable to any other Cell of the PCC; or
 - (B) non-cellular profits and losses, or assets and liabilities.

 - (B) a Collective Investment Fund.

Article 102 - Incorporation of Company as PCC

Article 103 - Liability of Cellular Assets

- (1) Subject to the provisions of Article 103(2), and save to the extent that the PCC may have agreed that a liability shall be the liability solely of the PCC's Non-Cellular Assets, or of the Cellular Assets attributable to a particular Cell of the PCC, where any liability arises which is attributable to a particular Cell of a PCC:
 - (A) the Cellular Assets attributable to that Cell shall be primarily used to satisfy the liability;
 - (B) the PCC's Non-Cellular Assets shall be secondarily used to satisfy the liability, provided that the Cellular Assets attributable to the relevant Cell have been exhausted; and
 - (C) any Cellular Assets not attributable to the relevant Cell shall not be used to satisfy the liability.
- (2) In the case of loss or damage which is attributable to a particular Cell of a PCC and which is caused by fraud, the loss or damage shall be the liability solely of the PCC's Non-Cellular Assets, without prejudice to any liability of any person other than the PCC.

- (3) Any liability not attributable to a particular Cell of a PCC shall be the liability solely of the PCC's Non-Cellular Assets.
- (4) Notwithstanding the above provisions of this section:
 - (A) the liabilities under Article 103(1)(A) of the Cellular Assets attributable to a particular Cell of a PCC shall abate rateably until the value of the aggregate liabilities equals the value of those assets except that the provisions of this paragraph shall be disregarded in assessing the existence and extent of any secondary liability under Article 103(1)(B); and
 - (B) the liabilities of the PCC's Non-Cellular Assets shall abate rateably until the value of the aggregate liabilities equals the value of those assets.
- (5) For the avoidance of doubt, a PCC may enter into arm's length transactions in respect of two or more of its Cells giving rise to reciprocal liabilities attributable to such Cells.
- (6) This Article 103 shall apply to the assets of the PCC wherever situated.

Article 104 - Disputes as to liability attributable to Cells

- (1) In the event of any dispute as to:
 - (A) whether any right is or is not in respect of a particular Cell;
 - (B) whether any creditor is or is not a creditor in respect of a particular Cell;
 - (C) whether any liability is or is not attributable to a particular Cell; or
 - (D) the amount to which any liability is limited

the Tribunal, on the application of the PCC, and without prejudice to any other right or remedy of any person, may issue a declaration in respect of the matter in dispute.
- (2) The Tribunal, on hearing an application for a declaration under Article 104(1) may:
 - (A) direct that any person shall be heard on the application;
 - (B) make an interim declaration, or adjourn the hearing, conditionally or unconditionally;
 - (C) make the declaration subject to such terms and conditions as it thinks fit; or
 - (D) direct that the declaration shall be binding upon such persons as may be specified.

Article 105 - PCC to inform persons they are dealing with PCC

- (1) A PCC shall:
 - (A) inform any person with whom it transacts that it is a PCC; and
 - (B) for the purposes of that transaction, identify or specify the Cell in respect of which that person is transacting, unless that transaction is not a transaction in respect of a particular Cell.

- (2) If, in contravention of Article 105(1), a PCC:
- (A) fails to inform a person that he is transacting with a PCC, and that person is otherwise unaware that, and has no reasonable grounds to believe that, he is transacting with a PCC; or
 - (B) fails to identify or specify the Cell in respect of which a person is transacting, and that person is otherwise unaware of, and has no reasonable basis of knowing, which Cell he is transacting with;

then, in either such case:

- (C) the directors shall (notwithstanding any provision to the contrary in the PCC's articles of association or in any contract with the PCC or otherwise) incur personal liability to that person in respect of the transaction; and
 - (D) the directors shall have a right of indemnity against the Non-Cellular Assets of the PCC, unless they were fraudulent, reckless or negligent, or acted in bad faith.
- (3) Notwithstanding the provisions of Article 105(2)(1), the Tribunal may relieve a director of all or part of his personal liability thereunder if he satisfies the Tribunal that he ought to be so relieved because:
- (A) he was not aware of the circumstances giving rise to his liability and, in being not aware, he was neither fraudulent, reckless or negligent, nor acted in bad faith; or
 - (B) he expressly objected, and exercised such rights as he had as a director, whether by way of voting power or otherwise, so as to try to prevent the circumstances giving rise to his liability.
- (4) Where, pursuant to the provisions of Article 105(3), the Tribunal relieves a director of all or part of his personal liability under Article 105(2)(C), the Tribunal may order that the liability in question shall instead be met first by any other director or directors whose personal liability is not relieved and thereafter, if necessary, from such of the Cellular or Non-Cellular Assets of the PCC as may be specified in the order.
- (5) Any provision in the articles of association of a PCC, and any other contractual provision under which the PCC may be liable, which purports to indemnify directors in respect of conduct which would otherwise disentitle them to an indemnity against Non-Cellular Assets by virtue of Article 105(2)(D), shall be void.

Article 106 - Attribution of Non-Cellular Assets and Liabilities

- (1) Liabilities of a PCC not otherwise attributable to any of its Cells shall be discharged from the PCC's Non-Cellular Assets.
- (2) Income, receipts and other property or rights of or acquired by a PCC not otherwise attributable to any Cell shall be applied to and comprised in the PCC's Non-Cellular Assets.

Article 107 - Provisions in relation to winding up of PCC

- (A) the assets forming part of the estate shall only be the Non-Cellular Assets;
- (B) the winding up shall not terminate any agency, or in any way whatsoever affect the authority or power, of any Officer, administrator, servant or agent of the PCC or any other person appointed over the PCC or any of the Cellular Assets; and
- (C) if and to the extent that any liquidator of the PCC has any dealing with, or has possession custody or control of, any of the Cellular Assets, he shall be subject to the duty set out in Article 95(2) as if he were a director.

Article 108 - Transfer of Cellular Assets from PCC

- (2) A transfer under Article 108(1) of Cellular Assets attributable to a Cell of a PCC shall not of itself entitle creditors of that PCC to have recourse to the assets of the person to whom the Cellular Assets were transferred.
- (3) No transfer of the Cellular Assets attributable to a Cell of a PCC may be made except under the authority of, and in accordance with the terms and conditions of, an order of the Tribunal under this Article (a "Cell transfer order").
- (4) The Tribunal shall not make a Cell transfer order in relation to a Cell of a PCC unless it is satisfied:
 - (A) that the creditors of the PCC entitled to have recourse to the Cellular Assets attributable to the Cell consent to the transfer; or
 - (B) that those creditors would not be unfairly prejudiced by the transfer.
- (5) The Tribunal, on hearing an application for a Cell transfer order:
 - (A) may make an interim order or adjourn the hearing, conditionally or unconditionally; or
 - (B) may dispense with any of the requirements of Article 108(4).
- (6) The Tribunal may attach such conditions as it thinks fit to a Cell transfer order, including conditions as to the discharging of claims of creditors entitled to have recourse to the Cellular Assets attributable to the Cell in relation to which the order is sought.
- (7) The Tribunal may make a Cell transfer order in relation to a Cell of a PCC notwithstanding that:
 - (A) a liquidator has been appointed to act in respect of the PCC or the PCC has passed a resolution for voluntary winding up; or
 - (B) an administration order has been made in respect of the Cell, the PCC or any other Cell thereof.
- (8) Notice of an application to the Tribunal for a Cell transfer order shall be served upon:
 - (A) any liquidator or administrator of the PCC or the Cell concerned;

- (B) the Regulatory Authority; and
 - (C) such other persons (if any) as the Tribunal may direct.
- (9) The provisions of this Article are without prejudice to any power of a PCC lawfully to make payments or transfers from the Cellular Assets attributable to any Cell of the PCC to a person entitled, in conformity with the provisions of this Part, to have recourse to those Cellular Assets.
- (10) For the avoidance of doubt, a PCC shall not require a Cell transfer order in order to invest, and change investment of, Cellular Assets or otherwise to make payments or transfers from Cellular Assets in the ordinary course of the PCC's Business.

Article 109 - Administration orders in relation to PCCs or Cells

- (1) Notwithstanding any statutory provision or rule of law to the contrary, an administrator may be appointed under the Insolvency Regulations in respect of a PCC or in respect of one or more Cells of a PCC.
- (2) Where an administrator is appointed under the Insolvency Regulations in respect of one or more Cells of a PCC, the relevant provisions of the Insolvency Regulations shall apply as if references therein to a Company were to be interpreted as references to a Cell.

Article 131 - Dissolution of Companies

Article 137 - The Register

- (1) There is to be a register of financing statements established and maintained by the CRO.
- (2) Subject to the Security Regulations, these Regulations and any rules made by the QFC Authority, the filing of a financing statement is effective for the purposes of perfecting a Security Interest and determining priority.
- (3) The filing of a financing statement does not create a presumption that the Security Regulations applies to the transaction to which the filing relates.
- (4) The QFC Authority may make rules in respect of any matter that facilitates the administration of this Part or furthers the purposes of this Part, including but not limited to rules which may:
 - (A) provide criteria for the effective filing of financing statements, amendments and other records and notifications required or permitted under this Part, including without limitation requirements as to their form, content and medium and the identification of the Debtor, the Secured Party and the Collateral;
 - (B) provide for standard forms for use in filing financing statements, amendments and other records and notifications under paragraph (A);
 - (C) provide for indexing, publication and licensing of financing statements, amendments and other records either individually or collectively;

 - (E) prescribe fees payable for processing applications for filing and production of records under this Part.

Article 138 - Financing statement

- (1) A financing statement must be filed in accordance with this Part and any further Regulations.
- (2) The filing of a financing statement is ineffective unless the Debtor consents to the filing. A Debtor who enters into a Security Agreement is treated as consenting to the filing of a financing statement which relates to the Collateral mentioned in the Security Agreement and its Proceeds.
- (3) The filing of a financing change statement which:
 - (A) adds to the Collateral covered by a financing statement; or

(B) adds a Debtor to a financing statement

is ineffective unless that Debtor consents to the filing.

- (4) A Debtor may consent to the filing of a financing statement, or be treated as consenting under paragraph (2), with retrospective effect from the date of filing.
- (5) Subject to Article 142, a financing statement must contain the following information to be effective:
- (A) the Name of the Debtor;
 - (B) the Debtor's registered number (if any);
 - (C) the Name and Address of the Secured Party or its agent (if any);
 - (D) a description of the Collateral;
 - (E) whether the filing is to continue indefinitely or for a specified period; and
 - (F) such other matters as may be prescribed in rules made by the QFC Authority.
- (6) If the Collateral is of a type which has a Unique Identifying Number, that number must also be included in the financing statement if that Collateral is of a type prescribed in rules made by the QFC Authority.

Article 139 - Time of filing

- (1) Filing of a financing statement is effective when a date, time and financing statement number are assigned to it by the CRO.
- (2) A financing statement may be filed:
- (A) before or after a Security Agreement is made; and
 - (B) before or after a Security Interest attaches.
- (3) A financing statement may relate to one or more Security Agreements.
- (4) The CRO shall not accept a filing:
- (A) until any Prescribed Fees are paid; and
 - (B) which does not provide information relating to each category listed in Article 138(5).
- (5) If the CRO is satisfied that an entry on the register was not filed in accordance with, or for the purposes of, this Part the CRO shall notify the Secured Party (or its agent) and any other person named on the financing statement. The CRO may remove the entry from the register 21 Business Days after such notification unless any recipient of such notice applies for an order from the Tribunal to maintain that entry on the register.
- (6) On application to the Tribunal under Article 139(5), the Tribunal may order that the entry on the register:

- (A) be maintained on any condition that the Tribunal considers appropriate; or
- (B) be removed

and the CRO must amend the register as relevant to that financing statement accordingly.

Article 140 - Duration of filing

- (1) Subject to paragraph (2), a filing continues to have effect:
 - (A) indefinitely; or
 - (B) if a specified period is indicated on the financing statement, for that specified period.
- (2) A filing ceases to have effect when it is discharged.

Article 141 - CRO to issue verification statement

- (1) As soon as reasonably practicable after the filing of a financing statement or financing change statement the CRO must send a verification statement to the Person making the filing.
- (2) "Verification statement" means a statement containing:
 - (A) the information contained in the financing statement or financing change statement;
 - (B) the financing statement number or financing change statement number;
 - (C) the date and time of filing; and

- (3) The Secured Party or Person named as the Secured Party in the financing statement or financing change statement must send to the Debtor a copy of the verification statement within ten Business Days of receiving it, unless the Debtor has waived in writing the right to receive a copy or the Debtor files the financing statement or financing change statement.

Article 142 - Errors in financing statement

- (1) A financing statement is not effective:
 - (A) if it contains a defect, irregularity, omission or error such that the existence of the Security Interest would not be discovered by a reasonable search under Article 145 (whether or not a search is actually carried out); or
 - (B) to the extent that it purports to include Collateral not mentioned in any Security Agreement to which it may relate.

- (2) Failure to provide a description in a financing statement in relation to any item or kind of Collateral does not make the filing ineffective with respect to other Collateral described in the financing statement.
- (3) Without limiting the generality of paragraph (1), a purchaser of Goods or Land with a Unique Identifying Number who searches the register using that number alone is taken to have made a reasonable search.
- (4) Failure to provide the correct Unique Identifying Number in relation to any item of Collateral does not make the filing ineffective with respect to other Collateral described in the financing statement.
- (5) The effectiveness of a financing statement is not otherwise affected by any defect, irregularity, omission or error not specified in paragraph (1).

Article 143 - Renewal and amendment of filing

- (1) A filing may be renewed by filing a financing change statement at any time before the filing expires and the period of time for which the filing is effective is extended by the renewal period indicated on the financing change statement.
- (2) An amendment to a filing may be effected by filing a financing change statement at any time before the filing expires, and the amendment is effective from the time when the financing change statement is filed to the expiry of the filing which is being amended.
- (3) If the Debtor changes its name, registered number (if any) or other identifier it must file a financing change statement within 21 Business Days.

Article 144 - Filing of transfers and subordinations

- (1) If a Secured Party with a Security Interest perfected by filing transfers the Security Interest or a part of it, a financing change statement may be filed disclosing the transfer. Where only an interest in part of the Collateral is transferred, the financing change statement must contain a description of the Collateral in which the interest is transferred.
- (2) After the filing of a financing change statement disclosing a transfer of a Security Interest, the transferee is the Secured Party for the purposes of the Security Regulations.
- (3) If a Secured Party transfers a Security Interest which is not perfected or has not been perfected by filing, a financing statement may be filed (before or after the transfer) in which the transferee is disclosed as the Secured Party.
- (4) For the avoidance of doubt, the transferee of a Security Interest is not required to file a financing change statement in order to continue the perfected status of the Security Interest against purchasers or in the event of insolvency.
- (5) Where a Security Interest has been subordinated by the Secured Party to the interest of another Person, a financing change statement may be filed to disclose the subordination at any time.

Article 145 - Searches

- (1) The register must be organised so as to permit searches using one or more of the following criteria:
 - (A) the name of the Debtor;

- (B) the registered number of the Debtor (if any);
 - (C) the financing statement number;
 - (D) the Collateral's Unique Identifying Number (if any),
- and any additional criteria specified by the CRO.
- (2) A search result that purports to be authorised by the CRO, whether printed by the CRO or by any other Person, is receivable as evidence as prima facie proof of its contents, including:
 - (A) the date of filing of a financing statement to which the search result refers; and
 - (B) the order of filing of the financing statement as indicated by the financing statement number.
 - (3) The CRO shall not authorise a search result until any Prescribed Fee is paid.

Article 146 - Debtor may require financing change statement

- (1) If:
 - (A) a financing statement is filed; and
 - (B) one of the conditions set out in column 1 of Table 1 in Schedule 2 to these Regulations is satisfied, the Debtor, or any Person with an interest in Property which falls within the Collateral description on the financing statement, may give a notice in writing (a "requirement notice") to the Secured Party.
- (2) The requirement notice must:
 - (A) specify the condition which is satisfied;
 - (B) require the Secured Party to file a financing change statement with the effect indicated in column 2 of Table 1 in Schedule 2 relating to that condition; and
 - (C) inform the Secured Party that failure to comply with the requirement notice may result in the Person who gives the notice filing the appropriate financing change statement.
- (3) If the Person who gives a requirement notice is not the sole Debtor, he must send a copy of the requirement notice to every other Debtor to whom the financing statement relates within five Business Days of the requirement notice being given to the Secured Party.
- (4) The Person who gives a requirement notice may file a financing change statement as requested in the requirement notice if the Secured Party does not, within 21 Business Days after the requirement notice is given, either:
 - (A) comply with the requirement notice; or
 - (B) apply for an order from the Tribunal to maintain the filing of the financing statement to which the requirement notice relates and notify the Person who gave the requirement notice and the CRO accordingly.

- (5) If the CRO receives notification under paragraph (4)(B), he must as soon as reasonably practicable amend the entry on the register relating to the financing statement in question to show that it is the subject of a dispute.
- (6) On application to the Tribunal by a Secured Party, the Tribunal may order that the filing:
- (A) be maintained on any condition and for any period of time that the Tribunal considers appropriate, subject to Article 140 and Article 141; or
 - (B) be discharged or amended
- and the CRO must amend the entry on the register relating to the financing statement accordingly.
- (7) Notices under this Article 146 must be given in the prescribed manner.

PART 13: ACQUISITION OF MINORITIES IN TAKE-OVERS

Article 147 – Definitions

- (1) In this Part, a “take-over offer” means an offer to acquire all the Shares, or all the Shares of any class or classes, in a Company (other than Shares which at the date of the offer are already held by the offeror), being an offer on terms which are the same in relation to all the Shares to which the offer relates or, where those Shares include Shares of different classes, in relation to all the Shares of each class.
- (2) In this Article, "Shares" means Shares which have been allotted on the date of the offer but a take-over offer may include Shares that are subsequently allotted before a date specified in or determined in accordance with the terms of the offer.

Article 148 - Take-over offers

- (1) The terms offered in relation to any Shares shall for the purposes of this Article 148 be treated as being the same in relation to all the Shares or, as the case may be, all the Shares of a class to which the offer relates notwithstanding any variation permitted by Article 148(2).
- (2) A variation is permitted by this paragraph where:
 - (A) the law of a country or territory outside the QFC precludes the acceptance of an offer in the form or the forms specified, or precludes it except after compliance by the offeror with conditions with which he is unable to comply or which he regards as unduly onerous; and
 - (B) the variation is such that the persons by whom the acceptance of an offer in that form is precluded are able to accept an offer in a different form but of substantially equivalent value.
- (3) The reference in Article 147(1) to Shares already held by the offeror includes a reference to Shares which he has contracted to acquire (which term shall include Shares which the offeror has an unconditional option to acquire) but shall not be construed as including Shares which are the subject of a contract binding the holder to accept the offer when it is made, being a contract entered into by the holder for nothing other than a promise by the offeror to make the offer.
- (4) Where the terms of an offer make provision for their revision and for acceptances on the previous terms to be treated as acceptances on the revised terms, the revision shall not be regarded for the purposes of this Part as the making of a fresh offer and references in this Part to the date of the offer shall accordingly be construed as references to the date on which the original offer was made.
- (5) In this Part "the offeror" means, subject to Article 154, the person making a take-over offer and "the Company" means the Company whose Shares are the subject of the offer.

Article 149 - Right of offeror to buy out minority Members

- (1) If, in a case in which a take-over offer does not relate to Shares of different classes, the offeror has by virtue of acceptances of the offer acquired or contracted to acquire not less than nine-tenths in nominal value of the Shares to which the offer relates he may give notice to the holder of any Shares to which the offer relates which the offeror has not acquired or contracted to acquire that he desires to acquire those Shares.

- (2) If, in a case in which a take-over offer relates to Shares of different classes, the offeror has by virtue of acceptances of the offer acquired or contracted to acquire not less than nine-tenths in nominal value of the Shares of any class to which the offer relates, he may give notice to the holder of any Shares of that class which the offeror has not acquired or contracted to acquire that he desires to acquire those Shares.
- (3) No notice shall be given under Article 149(1) or (2) unless the offeror has acquired or contracted to acquire the Shares necessary to satisfy the minimum specified in those paragraphs before the end of the period of four months beginning with the date of the offer; and no such notice shall be given after the end of the period of two months beginning with the date on which he has acquired or contracted to acquire Shares which satisfy that minimum.
- (4) When the offeror gives the first notice in relation to an offer he shall send a copy of it to the Company together with a declaration by him stating that the conditions for the giving of the notice are satisfied. A person who makes such a declaration must have reasonable grounds for believing it to be true.
- (5) Where the offeror is a Body Corporate (whether or not a Company within the meaning of these Regulations) the declaration shall be signed by a director.
- (6) If a person is proceeded against in respect of an alleged contravention for failing to send a copy of a notice as required by Article 149(4) it is a defence for him to prove that he took reasonable steps for securing compliance with that paragraph.
- (7) Where during the period within which a take-over offer can be accepted the offeror acquires or contracts to acquire any of the Shares to which the offer relates but otherwise than by virtue of acceptances of the offer, then if:
 - (A) the value of that for which they are acquired or contracted to be acquired ("the acquisition value") does not at that time exceed the value of that which is receivable by an acceptor under the terms of the offer; or
 - (B) those terms are subsequently revised so that when the revision is announced the acquisition value, at the time mentioned in Article 149(7)(A), no longer exceeds the value of that which is receivable by an acceptor under those terms

the offeror shall be treated for the purposes of this Article 149 as having acquired or contracted to acquire those Shares by virtue of acceptances of the offer; but in any other case those Shares shall be treated as excluded from those to which the offer relates.

Article 150 - Effect of notice under Article 149

- (1) The following provisions shall, subject to Article 148, have effect where a notice is given in respect of any Shares under Article 149.
- (2) The offeror shall be entitled and bound to acquire those Shares on the terms of the offer.
- (3) Where the terms of an offer are such as to give the holder of any Shares a choice of payment for his Shares the notice shall give particulars of the choice and state:
 - (A) that the holder of the Shares may within six weeks from the date of the notice indicate his choice by a written communication sent to the offeror at an address specified in the notice; and

- (B) which payment specified in the offer is to be taken as applying in default of his indicating a choice as aforesaid

and the terms of the offer mentioned in Article 150(2) shall be determined accordingly.

- (4) Article 150(3) applies whether or not any time-limit or other conditions applicable to the choice under the terms of the offer can still be complied with; and if the payment chosen by the holder of the Shares:
 - (A) is not cash and the offeror is no longer able to make that payment; or
 - (B) was to have been made by a third party who is no longer bound or able to make that payment

the payment shall be taken to consist of an amount of cash payable by the offeror which at the date of the notice is equivalent to the chosen payment.

- (5) At the end of six weeks from the date of the notice the offeror shall forthwith:
 - (A) send a copy of the notice to the Company; and
 - (B) make payment to the Company for the Shares to which the notice relates.
- (6) The copy of the notice sent to the Company under Article 150(5)(A) shall be accompanied by an instrument of transfer executed on behalf of the Member by a person appointed by the offeror; and on receipt of that instrument the Company shall register the offeror as the holder of those Shares.
- (7) Where the payment referred to in Article 150(5)(B) is to be made in Shares or securities to be allotted by the offeror the reference in that paragraph to the making of payment shall be construed as a reference to the allotment of the Shares or securities to the Company.
- (8) Any sum received by a Company under Article 150(5)(B) and any other payment received under that paragraph shall not be the property of the Company but shall be held by the Company on behalf of the person entitled to the Shares in respect of which the sum or other payment was received.
- (9) Any sum received by a Company under Article 150(5)(B) and any dividend or other sum accruing from any other payment received by a Company under that paragraph, shall be paid into a separate bank account, being an account the balance on which bears interest at an appropriate rate and can be withdrawn by such notice (if any) as is appropriate.

Article 151 - Right of minority Member to be bought out by offeror

- (1) If in a case in which a take-over offer does not relate to Shares of different classes, at any time before the end of the period within which the offer can be accepted:
 - (A) the offeror has by virtue of acceptances of the offer acquired or contracted to acquire some (but not all) of the Shares to which the offer relates; and
 - (B) those Shares, with or without any other Shares in the Company which he has acquired or contracted to acquire, amount to not less than nine-tenths in nominal value of all the Shares in the Company

the holder of any Shares to which the offer relates who has not accepted the offer may by a written communication addressed to the offeror require him to acquire those Shares.

- (2) If a take-over offer relates to Shares of any class or classes and at any time before the end of the period within which the offer can be accepted:
 - (A) the offeror has by virtue of acceptances of the offer acquired or contracted to acquire some (but not all) of the Shares of any class to which the offer relates; and
 - (B) those Shares, with or without any other Shares of that class which he has acquired or contracted to acquire, amount to not less than nine-tenths in nominal value of all the Shares of that class

the holder of any Shares of that class who has not accepted the offer may by a written communication addressed to the offeror require him to acquire those Shares.

- (3) Within one month of the time specified in Article 151(1) the offeror shall give any Member who has not accepted the offer notice of the rights that are exercisable by him under that Article; and if the notice is given before the end of the period mentioned in that Article it shall state that the offer is still open for acceptance.
- (4) A notice under Article 151(3) may specify a period for the exercise of the rights, conferred by this Article and in that event the rights shall not be exercisable after the end of that period; but no such period shall end less than three months after the end of the period within which the offer can be accepted.
- (5) Article 151(3) does not apply if the offeror has given the Member notice in respect of the Shares in question under Article 149.
- (6) If the offeror fails to comply with Article 151(3) he and, if the offeror is an Entity, every officer of the Entity who is in default or to whose neglect the failure is attributable, commits a contravention.
- (7) If an offeror other than an Entity is proceeded against in respect of an alleged contravention for failing to comply with Article 151(3) it is a defence for him to prove that he took all reasonable steps for securing compliance with that Article.

Article 152 - Effect of requirement under Article 151

- (1) The following provisions shall, subject to Article 153, have effect where a Member exercises his rights in respect of any Shares under Article 151.
- (2) The offeror shall be entitled and bound to acquire those Shares on the terms of the offer or on such other terms as may be agreed.
- (3) Where the terms of an offer are such as to give the holder of Shares a choice of payment for his Shares the holder of the Shares may indicate his choice when requiring the offeror to acquire them and the notice given to the holder under Article 151(3):
 - (A) shall give particulars of the choice and of the rights conferred by this paragraph; and
 - (B) may state which payment specified in the offer is to be taken as applying in default of his indicating a choice

and the terms of the offer mentioned in Article 152(2) shall be determined accordingly.

- (4) Article 152(3) applies whether or not any time limit or other conditions applicable to the choice under the terms of the offer can still be complied with; and if the payment chosen by the holder of the Shares:
- (A) is not cash and the offeror is no longer able to make that payment; or
 - (B) was to have been made by a third party who is no longer bound or able to make that payment

the payment shall be taken to consist of an amount of cash payable by the offeror which at the date when the holder of the Shares requires the offeror to acquire them is equivalent to the chosen payment.

Article 153 - Applications to the Tribunal

- (1) Where a notice is given under Article 149 to the holder of any Shares the Tribunal may, on an application made by him within six weeks from the date on which the notice was given:
- (A) order that the offeror shall not be entitled and bound to acquire the Shares; or
 - (B) specify terms of acquisition different from those of the offer.
- (2) If an application to the Tribunal under Article 153(1) is pending at the end of the period mentioned in Article 150(5) that Article shall not have effect until the application has been disposed of.
- (3) Where the holder of any Shares exercises his rights under Article 151 the Tribunal may, on an application made by him or the offeror, order that the terms on which the offeror is entitled and bound to acquire the Shares shall be such as the Tribunal thinks fit.
- (4) No order for costs or expenses shall be made against a Member making an application under Article 153(1) or (3) unless the Tribunal considers:
- (A) that the application was unnecessary, improper or vexatious; or
